

Charity and Justice - Opportunities to Serve

January 2019

This list is created in the spirit of “many hands make light work”. Each of the following projects has a project leader who will organize and coordinate the project. That leader needs some help on the smaller tasks, like passing something out after Mass or delivering something. **The tasks typically take between fifteen minutes to two hours.** These tasks are your opportunity to live out Christ’s call to serve your sisters and brothers in need. Please contact the project leader directly to volunteer your time and effort.

<u>Hope in a Box:</u> every day the Center for Hope in Flint provides basic needs to hundreds of our poorest sisters and brothers. There is a blue box in the gathering space to collect different items each month.	Make a donation to the box: non-food items (such as soap, personal hygiene products, coats, blankets, etc.) are identified in a list that is provided to parishioners once a month.	Take a few minutes while you’re doing your regular shopping and then drop items into the blue Hope in a Box while walking into church.	Leo Hanifin leo.hanifin@udmercy.edu 810.522.6645
<u>Retailer Support:</u> Kroger and Amazon will direct a portion of purchases to the Parish Alms account.	Parishioners need to fill out on-line forms to direct their award to the Parish.
