

## EDGE Mission

Our mission as EDGE leaders, adults and high school teens alike, is to....

1. create a spiritual and accepting home for middle school students in grades 6, 7, and 8 to grow in their faith and in relationship with God.
2. provide a safe place for them to learn who they are and to be community with one another.
3. provide a place of refuge away from the stress of school and family
4. share our Catholic religion to aid in the middle school student in realizing that our faith can be fun.
