**ALL THINGS CONSIDERED**

**ALICE** Alert-Lockdown-Inform-Counter-Evacuate; Many thanks to Domenic Lauria, a parishioner & police officer in Farmington Hills, for taking the time to do the training – which I hope we will never need! It was helpful to all who participated. It provided information that we may never use here, but may need at a store, a school or even a movie theater. Thanks to Gary Prise who worked with Domenic to set up our ALICE training and coordinated both sessions.

**STORIES of the PARISH** In my “spare time” over the last few months, I have been writing my version of the story of our first 25 years. Not only has it been “an enjoyable trip down memory lane”, it has also been rather amazing to recall all that we accomplished over the last 25 years. Between July 1993 and June of 1998, I moved six times! And that is only a part of the story.

I am grateful that we have collections of old bulletins and other material to jog my memory. As I read through them I think, Oh yeah, how could I have forgotten that!

It would be wonderful to include your stories in the bulletin over the course of this anniversary year and in the final compilation of our history! We would also like to gather pictures that span our 25 years. Send your story to our story editor, Skip Dorrington: maskip25@gmail.com.

If you have photos you took at parish events, ministries in action, etc., please email them to: photos@saintmarymagdalen.org. These will be posted in the east and north hallways for folks to see. We will also use them for special video recollections Diane Kubus will create.

**STAFF CHANGES** Two of our staff intend to retire ahead of me: Kathie Anderer, the director of our Preschool, and Dave Wisniewski, our bookkeeper. Both will be sorely missed.

Both these positions are part-time. The Preschool director 4-5 hours a day, approximately 200 days over the course of a year. The bookkeeping position is approximately 18 hours per week, some of which need to be in daytime, but the hours are flexible. Both positions will be filled in May, so the new people can work with those who are doing the job now and we can have a smooth transition.

Applications can be found on our website.

The last day to apply is **Friday, April 27 by 4:30 pm.**

**JURY DUTY** Ever since I registered to vote, I have received four summons for jury duty. In January, I received my fourth summons, for federal court in Flint. This time I never needed to report!

**STORIES OF THE PARISH****WE FOUND OUR FAITH HOME**

By Russ and Judy Gentner

We moved to Brighton in January, 25 years ago, just as the New Catholic Community of Brighton was forming. To be honest we weren't sure if we wanted to be part of it. Going to Mass in a school activity space didn't seem like the “right” atmosphere to celebrate mass for two cradle Catholics brought up within the stained glass, marble and gold encrusted walls of established parishes.

We decided to check it out, and after attending our first Mass, we knew we had found our church in Brighton. We were greeted with genuine warmth and participation during the Mass was inspiring, the music was uplifting and everyone was singing.

Father Dave's celebration of the Mass moved us in a way we hadn't felt before. His homily made us feel like he was talking directly to us; in a way that made sense of the Lord's presence in our life right now, at that moment.

After Mass, there wasn't a rush to the doors to leave, people, families milled around chatting. Of course, our girls were interested in the donuts, but even they were not pulling us out the door. That is pretty huge for two kids in 6th and 4th grade who were uprooted from their schools mid-year to move to the “country”.

We signed on to be part of the founding families of what has become St. Mary Magdalen, our spiritual home. Along the way, a few interesting things have happened. First, after joining, we quickly realized that our daughters, Allison and Jaclyn were truly listening to the scripture readings and homilies. We could discuss them during dinner throughout the week and provide each other with gentle reminders of how Father Dave had suggested we live God's word.

Second, our whole family was inspired to get involved and grow our faith with this beautiful community...not just show up once a week for Mass.

Allison was married to a fellow parishioner in this wonderful community and Jaclyn, who lives out of state, truly looks forward to coming home and celebrating Mass at St. Mary Magdalen.

We are very blessed to be part of this community which has given us strength in difficult times, and shared in our joy. We will be forever grateful to Father Dave and our St. Mary Magdalen family for inspiring us to continue to grow in God's love, to be better people and to always trust in God during our life's journey. God Bless.

## FIFTH SUNDAY OF EASTER

**Acts 9:26-31**

Earlier in the book of Acts, we hear of Saul (later known as Paul) persecuting Christians in Jerusalem. When he went to Damascus to do more of the same, he experienced a dramatic conversion. It was several years before he returned to Jerusalem, the site of the earlier persecutions. His first visit to Jerusalem as a Christian is described in today's reading.

**1 John 3:18-24**

During this Easter season, we are reading from the first letter of John. In today's passage, the author is dealing with some members of the community who have defected. They seem to have believed that as long as you have faith in Jesus, it doesn't matter what you do in daily life. The author directly refutes that position.

**John 15:1-8**

John frequently writes of the "mutual indwelling" and today's image is the vine and the branches. The point is clear. We are so much a part of Christ and He so much a part of us, that separation can only mean death. The consequences are that we can bear much fruit united with Christ pruned, pruned we can produce even more. The reward is our intimate participation in the risen life of Christ.

**Reflect:** When we live in Jesus, we do good things. What good deed will you do for someone this week?

## RELIGIOUS FORMATION NEWS

Roxanne Hundsrucker

**Family Program Wrap-Up**

Today is the last Family Program session and our end-of-the-year Pot-Luck. Fifty-one families participated in a non-traditional religious formation delivery system this year. We made a few changes going into this year and continue working on a few more for the year to come. The goal is to make Liturgy and formation a great experience for the entire family.

**Journey with Jesus (JWJ) Vacation Bible School**

We need adults to help us before, during, and after for clean-up. Some help can be done from home such as decorations, registration, and even putting together craft kits. The week of JWJ is July 30 – August 3, 2018 and our theme is “Shipwrecked Rescued by Jesus.” During the week of JWJ we bring together about 100 participants and about 50 pre-teen/teen helpers. It is necessary to have about 15 adults during the week of JWJ and it is necessary that they all attend a Virtus training prior to the week. It is important we have adults commit to helping make this week a continued success.

**Have You Ever Considered**

We are looking for individuals with the desire to share their faith with the youth of our parish. We will provide training, information and support for the responsibilities required before you enter a classroom. There will be a need for hall monitors and nursery helpers as well. If you are reading this and thinking we most likely have enough help, think again... Please contact Karen or myself for more information.

**Religious Formation Registration 2018/2019**

If you have not registered your children grades 1-10 for Religious Formation, Fall 2018 please do so right away. You can register in the parish office Monday—Thursday, 9 am—8 pm and Friday, 9 am—4 pm. Our class sessions will be Wednesdays, 4:30–6 pm and 6:30—8 pm and Thursday 5:30–7 pm. Family program is already at it capacity.

Children currently in kindergarten will need to begin Religious Formation in first grade to be on track to receive the sacrament of First Eucharist (First Holy Communion) in the spring of their second grade school year.

It is important for parishes to host early registrations as our publishers offer great incentives to those who purchase materials early. We encourage all families to register as soon as possible.

## YOUTH NEWS

Margaret Callaghan

**My partner in EDGE** (crime LOL) these past 14 years is, and has been, Jeannie Herrell. It has been a blessing to have had her dedication and support over the years for our middle school students. When asked what is special about our parish, she said “I love how genuine our middle-schoolers are. I love how one minute they are eating a donut off the string with no hands, and the next minute they can be the most reverent, faith-filled people. It's so precious, just so precious. I am grateful for parents who have let me love their children over these years. Thank you.”

**Saturday, April 28 10:30 am-4:00 pm**

This weekend is our **Diocesan Services Appeal Commitment Weekend**. I invite all members of our parish community to join in support of our annual appeal. Our parish goal is \$102,310. No gift is too small... every dollar donated helps those in our parish and in our unified efforts in the wider church. Further, one-half of all paid contributions received, over and above our parish goal, will be returned to our parish for our local use here at St. Mary Magdalen Parish.

You can submit your DSA pledge envelope during Mass this weekend - or take your DSA envelope home and prayerfully consider your gift decision. Those paying by cash or check are invited to return your completed pledge form, in the DSA envelope, to our parish office. Those who wish to pay by credit card or electronic funds transfer may enter your gift online at [www.dioceseoflansing.org/dsa](http://www.dioceseoflansing.org/dsa). I encourage every one of our parish households to reflect on the many blessings we have received from the Lord and share these blessings through a generous gift to our DSA.

**Please pick up your serving plates and trays!**

Please stop by the kitchen and south hallway, to pick up your plates and serving containers! We will be doing some pantry re-organizing and spring cleaning in the kitchen the week of April 22.

**Anniversary Quilt**

We need your help! The quilt will have over 125 design squares. These squares can be images of memories here at our parish, Christian symbols or ideas. At the Welcome Desk are background squares, along with pieces of colored cotton for your use. There is also a list of some ideas in case you are looking for inspiration. Please feel free to make one, two, or three quilt blocks. If you have a design and don't want to actually construct the block, just turn in your design and one of the Anniversary Quilt Team members will sew it for you. Turn in your completed designs or squares back at the Welcome Desk.
