## ALL THINGS CONSIDERED

**HAPPY MOTHERS' DAY!** On behalf of all the staff who serve you here at St. Mary Magdalen, I want to wish all our mothers and grandmothers a very happy Mothers' Day! It is my sincere hope that the love and respect you are shown today will last far beyond this weekend. I know the lessons I learned from my mom continue to form and inform my life, and the example of her selfless dedication still provide a genuine lesson to me of how I can pastor a parish.

Please know I pray for you every day so that God will bless you in your very special vocation. May your ministry of mothering continue to flourish as your children grow in age and grace!

**DSA 2018** The Diocesan Services Appeal (DSA) provides funds for almost 100 different services and programs across the 10 county area of the Diocese of Lansing. Through these services we affect the lives of thousands of people.

Two years ago we participated in the *Witness to Hope Campaign* to fund several endowments to support the future of several different ministries; DSA funds the day-to-day operation of these ministries. Please join me in making a gift or a pledge to DSA 2018!

**THE BELL TOWER PLAZA** Hopefully you have had a chance to walk out on the bell tower plaza. The project was funded by parishioners who donated to the *Witness to Hope Campaign*. The campaign raised \$2.2 million: the diocese received one million and \$1.2 million will come to the parish to help pay off our mortgage and fund two projects. One project was a new video system in church and the other was the plaza. Both cost approximately \$100,000.

The plaza project will be finished this summer. The door to the tower will be replaced with a new door with a large window of colored and clear glass. It will make the tower entrance more like a chapel door and let folks see the interior of the tower.

The last thing is the placement of an antique French cemetery cross on the concrete pillar (the pillar still needs to be stained and a bronze collar will be fitted to the top of the pillar). The cross stood in a parish cemetery in France for about 100 years. When the parish was unable to care for the cemetery, it was turned over to the government. The French government removed all the religious symbols, and the antique cross was sold and made its way to an American dealer. A parishioner purchased the cross in 2009 for the plaza.

Hopefully, weather permitting, we can have Liturgy on the plaza on Memorial Day!

*Fr. Dave Howell*

## STORIES OF THE PARISH

## Steps to a Wonderful Spiritual Journey

**Karen MacDonald, Religious Formation Admin. Asst.**

It is said that a journey begins with a single step. My journey to St. Mary Magdalen began in 1999 with several hundred steps through the "back 40" to "check out" the Catholic Church in my backyard. With two small children and two moves under our belt, we had not been faithful Mass attendees. It was time to make a few changes. We began attending Liturgy weekly, enjoying the welcoming community, uplifting music and thought-provoking homilies. Surprisingly, I soon noticed a familiar face in the congregation – Sr. Maryetta! Sr. Maryetta lived in the convent behind my childhood home in St. Clair Shores, MI and was my sister's first grade teacher. Inquiring about having my sons baptized, I approached Sr. Maryetta. Happily jogging her memory, I told her who I was and was told, "We'll talk about baptism once you get your act together!" Those surprising and inspiring words helped me "get my act together", had my sons baptized, jump-started my spiritual journey and opened the door to our 19-year friendship.

Our family, like so many others, has been blessed to be a part of so much of what makes St. Mary Magdalen a truly special community of faith. We have fond memories of sacraments celebrated, Journey with Jesus, Easter egg hunts, church picnics, religious formation classes and even the coffee and donut ministry we served on for several years. In 2004, some persistent, inner prompting encouraged me to attend a meeting about coordinators needed for a new church picture directory. After overcoming my shock at almost being hit by a car in the church parking lot on my walk over to the meeting, I found myself volunteering to coordinate the next parish directory for the very same woman who nearly ran me over! Once the directory was published, I was quite surprised to hear from her asking if I was interested in helping her part-time in the office. What began then as a 9 hour-a-week "little job" progressed to a full-time, 14 year (and counting) position as the Religious Formation Secretary and Assistant. I have been privileged and honored to support our Director of Religious Formation, families, catechists and volunteers in the religious formation program. I have met so many wonderful adults and children! Through the years I have been inspired, challenged, educated, humbled, strengthened, grown and matured. I have laughed, cried, prayed, doubted, stressed and persevered. I am thankful to all of you for all the experiences, friendships and relationships that have touched my life.

On our journey through life, it goes without saying our second family consists of those we spend many hours with at work. Without our office staff, our spiritual home at St. Mary Magdalen would fall apart. Our office family has grown and changed over the last 25 years; "family" members have come and gone. However, each one of these staff members made a significant contribution and impact on our parish and left a lasting impression on the "family" left behind. I truly treasure our office family, and I am blessed by the relationships we share. If anyone told me 20 years ago that I would be a church secretary, I would never have believed them. God does work in very mysterious ways! I thank Him for leading me to St. Mary Magdalen which has enriched my life in numerous ways, and I look forward to walking many more steps on my journey with new and old "family" and friends.

## PENTECOST SUNDAY

**Acts 2:1-11**

Pentecost was a Jewish feast that celebrated the beginning of the harvest. It took place 50 days after the feast of the Passover. Jewish pilgrims came to Jerusalem from all over the ancient world for the celebration. Today we hear how Pentecost became a Christian feast.

**Galatians 5:16-25**

In concluding his letters, St. Paul always had a section instructing his converts about the correct way to live as Christians. Today's passage comes near the end of his letter to the Galatians. Paul offers a sharp contrast between life in the flesh (meaning life prone to sin) and life in the Spirit.

**John 15: 26-27; 16: 12-15**

The Gospel text here is made up of two sections from John's account. The first is about witness. We who receive the holy Spirit witness by an ongoing personal profound experience of Jesus, by heartfelt conviction, and expressing this conviction outwardly. The second part is about the importance of truth revealed by the Holy Spirit, is gradual, as we can hear it for our mission in life.

**Reflect:** How do you know when the Holy Spirit is guiding you?

**The Ascension of the Lord**

Today we celebrate this movable Feast Day. It is movable because it depends upon the date of Easter. However, The Ascension of the Lord falls 40 days after Easter which would be Thursday, May 10. In the US, the Bishops have allowed this Feast to be celebrated on Sunday, therefore most Catholic Churches move this Feast to the following Sunday so more members celebrate this mystical event. We celebrate the fact that the risen Lord Jesus Christ ascended into Heaven, and we prayerfully await the coming of the Holy Spirit on Pentecost. Bishop Robert Barron, who many are familiar with, has an outstanding article on "Why the Ascension of the Lord Matters" on his Word on Fire website that I encourage all to read:

**Mother of the Church: New Memorial**

Pope Francis made the decision that the Church celebrate the Blessed Virgin Mary in her role as “Mother of the Church” every year, on the Monday after Pentecost. This year it is Monday, May 21<sup>st</sup>. The title “Mother of the Church” was given to the Blessed Mother by Blessed Pope Paul VI at the Second Vatican Council. Pope Francis added the memorial to the Roman Calendar after carefully considering how the promotion of devotion to the Blessed Virgin Mary under this particular title might encourage growth in “the maternal sense of the Church” and in “genuine Marian piety”.

**Evangelization: Old Way – New Way**

The old way of thinking is that evangelization is going door to door. There is still value and a place for that. Today evangelization means for the laity to get involved in their areas of influence – their family, their community, their work. The laity is to be empowered to evangelize where they are already comfortable. The Parish is here to help Catholics feel comfortable talking about and sharing our experience in our faith. The Parish offers a variety of opportunities to do this from Faith Sharing Groups, Bible Studies, Alpha and others. Stay tuned.
