ALL THINGS CONSIDERED

CONNOR GERAN Hopefully you have already noticed the space in front of the Shrine of the Cross. The area was created for the burial of cremains. Over the years, several of our parishioners have been buried there with their names engraved on the marker stone.

Last Saturday, Connor and several other scouts replaced all the grass between the stones with pea gravel. They also placed a small fence around the space to keep out the geese.

This Eagle Scout Project took almost 10 hours to complete. Connor raised the funds, purchased all the items used and directed his fellow scouts in their labor.

Thanks, Connor, for a job well done!

DAVE AND JERI Dave Wisniewski has been our faithful book keeper for 14 years. He has kept our financial records, paid our bills, prepared and monitored our budget and served us faithfully.

Earlier this spring, he informed me of his desire to “retire”. All of us who have worked with him truly wish him well – he will be missed!

An interview team from the Finance Council interviewed five well-qualified candidates and chose Jeri Gawlowski to serve as our new book keeper.

Welcome Jeri and thanks for taking on the job!

LIGHTS!! The more observant among us may have already noticed that our lights have been changing. Earlier this spring, we entered into a contract with CGE, a company owned by our parishioners, Bryan and Jackie Zaplitny. So the team from CGE is changing all our light bulbs inside and out to new LED bulbs (the only exception is the high lights in the original church.) As a result, we will have better lighting and save money on our electrical bill!

I want to thank Bryan and Jackie Zaplitny and CGE for a “greener technology” and for saving St. MM some “green” as well!

A NOTABLE ANNIVERSARY On Thursday, June 28, we will celebrate the actual 25th anniversary of the founding of our parish. The 6:30 pm Liturgy will celebrate the vigil of the Feast of Saints Peter and Paul. Together, these two apostles led and nurtured the Church founded by Christ.

On June 28 at 6:30 we will celebrate these two great men AND the founding of this parish which is an expression of the faith of these two apostles.

Please put the date on your calendar! Come be a part of this special event — both the Liturgy and the wonderful reception to follow!!

STORIES OF THE PARISH

Our Church Altar Memories Dennis and Sandy Howe

After several years of weekend masses in the middle school cafeteria/auditorium, our community started talking about building our own church. Fr. Dave wanted everyone involved. There were lots of meetings and planning sessions bringing us closer together to create a vision of what the new worship space would be like, and how to pay for it. Sandy and I have had the good fortune to move around a lot over the years and be members of many Catholic communities. However, we never felt as much a part of any Parish as we did at this New Catholic Community of Brighton as we were originally known, or “St. Sign Up” to some.

With a daughter in medical school and a son in college, cash was in short supply for us. It occurred to us that we could use our woodworking skill and build the altar furniture for the new church and contribute our sweat equity. After one of the planning meetings, we shared our idea with Fr. Dave and the altar project began. A group working with Fr. Dave decided on a design for the new altar and ambo. Once I received a drawing, the project commenced. Cherry was chosen for the wood and another member of the community volunteered to cover the cost of materials.

The initial construction steps were moving along quickly with only a few questions: Do we need to make a pocket for something to hold altar relics? No, that is not a requirement any more as it was when we were young. There was a recessed gold stripe that went around the entire altar and after I figured out how to make the recess and stripe, I called Fr. Dave to ask if the church required the stripe to be real gold leaf or if I could use an imitation gold leaf to fill the recess. Fr. Dave asked what the difference would be, referring to appearance, and I replied “about \$700”. The imitation gold leaf was used and well-sealed. It still looks nice and shiny after all these years.

As the new church dedication approached, we were running short on time to finish the altar. At the end of mass on several weekends, Fr. Dave asked for volunteers to help with the sanding, staining and final finishing of the new altar. About 20 people responded and for several Wednesday evenings and Saturdays we had dedicated guests working hard to complete the altar. Finally, the altar was completed. The legs were attached to the bottom plate and the names of as many of the volunteers as we could remember were written on the inside of the bottom plate and the top was attached. On moving day, Leo Camden brought his utility trailer to our home and we loaded the altar and the large dolly it sat on into Leo’s trailer. Several members of our community who were working at the church to get ready for the church dedication ceremony were recruited to help roll the altar down the main aisle and lift the altar up to its new home.

Building the altar for our new church was a wonderful experience. We made many friends working with all the volunteers and helpers who contributed their time to finish the altar, and we feel a much deeper connection to this church and community because of our involvement. We would never have been ready in time for the dedication without the help of other members of our community. Every time we look at the altar, and later the two side altars made for our new church, we are reminded how important it is to take an active role in the church and community. We love “St. Sign Up” and pray it will never change.

ELEVENTH SUNDAY IN ORDINARY TIME**Ezekiel 17:22-24**

Ezekiel was a major Old Testament prophet who ministered to the Jewish people exiled in Babylon. He often used parables and dramatizations to convey his message. In this passage, Ezekiel uses the image of trees to talk about the restoration of Israel and the fall of the Babylonian empire.

2 Corinthians 5:6-10

We continue today to read from Paul's second letter to the Corinthians. In this section of the letter, Paul describes our life on earth as a pilgrimage home to heaven.

Mark 4:26-34

This parable stresses the power of the seed to grow in and of itself, mysteriously producing the blade, ear, and finally the ripe grain. Jesus initiates the reign of God by sowing the word, maturing to the kingdom of heaven. We are invited to apply this parable to our own life situations.

Reflect: What symbol would you use to describe our life's journey?

RELIGIOUS FORMATION NEWS

Religious Formation Summer Contest

Send me a picture of your family holding a copy of the church bulletin from Catholic Church you attend while on vacation, or take a copy of the St. Mary Magdalen church bulletin on vacation with you for photo opts. I will put these photos on the Formation Bulletin Board in the Church Gathering area. You will also be entered in a contest to win one of four St. Mary Press "Catholic Family Bibles."

Contest instructions:

Take your photo somewhere away from home, either while on vacation or a day trip holding a church bulletin. Then e-mail the picture, with names of all in the photo (first & last) and where you are in the photo, to dre1@saintmarymagdalen.org. I will print and post your photo. There will be one drawing for each Religious Formation session and will take place the first week of Religious Formation in September. Contest deadline is Sunday, September 9, 2018.

A great resource for finding a Mass time while traveling is masstimes.org. You put in a zip code and it gives you a list of Catholic Church Mass times in, or near, the city you requested. It also gives a link to the parish websites. I always call to make sure the list of times is accurate because sometimes parishes do not update Mass time changes right away on their websites.

Registration 2018/2019

We are registering children in grades 1-10 for Fall 2018 Religious Formation. If you have not registered, please do so right away as some classes have already filled. Our Family Program is already closed.

Our class sessions will be Wednesdays 4:30– 6 pm and 6:30—8 pm and Thursday 5:30–7 pm.

You can register in the parish office Monday—Friday 9 am—4 pm.

This weekend is our last meeting of the 2017/18 year. Thank you to the Finelli's for opening their home for us again to celebrate!

With summer just about to begin with this next week being the last week of school for many, my office hours change a bit. The best way to reach me regarding Cedar Point, the summer work service trip or volunteering opportunities, is by email. The best time to get me in person is mornings.

It has been a great year! Plans for the fall will start soon enough. For now, look here in the bulletin and via Remind texts for information on gatherings we will have over the summer. We are planning for movies, a beach day, bonfires and more.

Since the summer of 2002, St. Mary Magdalen has traveled with the National Relief Network approximately 12 times, traveling to New Orleans, LA, to Iowa, to Moore, OK and to West Virginia. We have worked to help communities rebuild from hurricane damage, flood damage and picked up debris from tornadoes.

NRN is a great opportunity for a great many things! If you are interested in learning more about the experience, please contact Margaret Callaghan at yminister1@gmail.com or ask anyone wearing a bright yellow NRN t-shirt these next couple weekends. **Our trip this year is the week of July 29- Aug 3.** Anyone 13 years old and older is welcome to come.
