

# Magdalen's Preschool Extended Program

Dear Parents/Guardians,

We are so excited to share with you that starting in the fall of 2017 Magdalen's Preschool would like to offer an *Extended School Program*. This program will have an educational curriculum for a combination class. What this means is the 3's, 4's and early 5's will be joined together for the afternoon program. The extended program will run from 12 noon to 3:00 pm. We believe this is a great way to prepare the children for all day kindergarten and meet new friends and families.

The Extended School Program will include lunch (provided by their parents) and a forty-five minute rest time (as required by Michigan State regulations). The rest of the program will include recess, circle time, a lesson, learning centers, and more. Two members of our Preschool will run the extended program, but the program teacher might not be the same as your child's morning teacher.

Children may participate in the Extended Program on the same days they are enrolled in the morning program; and you can enroll for only those afternoons that best fit your schedule. The cost for the Extended School Program will be added to your annual tuition and can be paid in the same way you pay tuition now.

1 day - \$500.00      2 days - \$1,000      3 days - \$1,500.00      4 days - \$2,000.00  
5 days - 2,500.00

*Example: Jane comes on Tuesday and Thursday. She will be enrolled in the Extended School Program on Thursdays only. The tuition for Jane will be \$1,150 for the 2 days of Preschool plus \$500 for 1 day extended program. The tuition bill will be \$ 1,650 total for the year.*

In order for Magdalen's Preschool to offer these extended hours in the fall of 2017, we need to have a certain number of students registered each day.

If you would like to register and/or have questions, Please see Kathie ASAP. If we do not have enough students enrolled unfortunately we will not be able to run this program this fall.
