

Hi Everyone.....

Thought that this would be a good time to introduce myself to you. I have talked to many of you on the phone sometime this summer.

My name is Kathie Anderer. I'm the director of Magdalen's Little People Preschool. I worked for 20 years with St. George Pre-K before we moved to St. Mary Magdalen's five years ago. We are very excited about our new classrooms and space. We are very blessed to be here and have such a beautiful space. Being the director of the program, I really miss working in the classroom but now I have the opportunity to make close friendships with all of the children in the program!! I will be their Music teacher and we ALWAYS have fun in Music!!

My husband, Ken, and I will celebrate 42 years of wedding bliss this October. We have lived in Brighton since 1978 and have seen so many changes! We have three children. Mike, our oldest, is a lawyer and is employed by Yum! Brands, Inc. He lives in the Dallas/Fort Worth Area of Texas. He had the nerve to take my grandchildren with him when he moved. I miss them terribly! I spent my summer vacation with my grandchildren who were here visiting from Grapevine, Texas. I love to brag about my grandkids. They are the most adorable, delightful, and SMARTEST grandchildren ever.... Nolan (11), Nena (8), Nevan (4), and Nate (2). Ask me about them sometime! Beckie, our second born, graduated from U of M~ Grad School and is a licensed dietitian. She just moved to the New Baltimore area with her husband and my only Michigan grandchild, Oliver (7 months). She works as a International Regulatory Affairs Specialist for Roll International Corp. Julie, our youngest, graduated undergrad from Siena Heights University and from grad school at Wayne State earning an Art Therapy Degree. She and her husband moved to Maryland three years ago. I sure do miss her!

I love scrapbooking and watching "old" movies, and I love anything to do with Noah's Ark. I collect Music Boxes and in my spare time I love to go to the movies (you can find me at the Brighton Cinemas most Friday nights). My favorite thing to make for dinner is RESERVATIONS! I have a cat named Toby, and he enjoys curling up on my lap and watching TV or reading with me. If I can be of any help to you... please feel free to stop me and let me know how I can help. We have what I call "The Dream Team" staff with us again this year and I am really looking forward to a FANTASTIC year! Great side... hang on! Here we go.....

God Bless,
Kathie Anderer, director
