

MAGDALEN'S PRESCHOOL

From the director...

How can it be May already. Lots to do ... so little time. The month starts off with our Mother's Day Tea.

Then we will have Daddy Donut day, and a visit to the Hartland Ice House/ Bounce, and our last day celebration with our friends and families at the Potter Park Zoo.

Yellow Week is

the week of April 30-May 4th. Hope we will have the yellow sun shine down on us!

All field trip money (Hartland Ice House & Potter Park Zoo is due **FRIDAY, MAY 4TH!** Checks made payable to Hartland Ice House and Potter Park Zoo. If you did not receive the information note ... please ask for another. Both of these

field trips are for everyone (all sessions). There will be no school held at the church on either day.

Mother's Day Tea...

You should have all received your invitation. Our teas are on Thursday, May 10th and Friday, May 11, 2018. We ask that you drop your child at school for reg-

ular class time and return for the tea which starts at 11 am. We encourage you to try to make arrangement for someone to care for younger siblings if at all

possible for this occasion so it will be a special time for just you and your child to spend special one on one time together. Hope you can make it work.

Daddy Donuts...

We would like to celebrate our daddies. We will be having Daddy Donuts day the mornings of Thursday, May 17th and Friday May 18th. We will be here early and ask that dads arrive at 8:15am. We can have our breakfast and then you may drop your child in their classroom before you go to work. (if there is a father that can not fit it into their schedule... your child may arrive at normal time and not feel that they missed out on the event. If daddy can't make it and Grandpa or Uncle can come... feel free to send them in with the student.

Happy "Early" Father's Day!

MISSING FLEECE JACKET

Someone has taken home the wrong jacket. Please check your closet for a charcoal Fleece Jacket. It is marked on the inside with "Samuel Martin's name" It showed up missing on one of the warmer days... and by Monday we had snow again. Pretty sure that it got hung in a closet and hasn't been used again so no one knows it isn't the right coat. Please take a look. It was brand new and the first time Sam wore it. They would really like it returned. Thanks!

EARLY 5'S CLASS OFFERING...

We offer an "Early 5's" classroom. It will be held 9am—12pm on Monday, Tuesday, Wednesday, and Thursday (and Friday if you want 5 days). This class is designed for children who may not be ready for a full day Kindergarten program, are younger 5's, or have a birthday after the Michigan cut off date of September 1st. If you or someone you know are interested or want more information, please see Mrs. Kathie Anderer.

The class will focus more on early reading skills, math, exploring the world around us, writing skills and science. The curriculum will ready the child socially, emotionally and academically for kindergarten. The class is for those children who aren't ready for the rigors of a full day kindergarten and for those who do not meet the age requirement for kindergarten. Let us know if we can help you. Thanks!

Last day Celebration...

We will be going to Potter Park Zoo for our last day of school. All students and families may attend. You should have received your information note home. If you did not, please see us for another one. **ALL STUDENTS** will be attending on this date. This will be the last day of school

with students. There will not be any classes at the church.

We also would like to send out...
