Our purpose is to help children develop appropriate skills in a warm and encouraging atmosphere. These skills are the foundation of future physical, emotional, social and educational success. Here are the skill areas:

- | | |
|-------------------------------|-----------------|
| ➤ Physical growth | The five senses |
| ➤ Language development | Problem solving |
| ➤ Understanding relationships | Exploring |
| ➤ Sorting and classifying | Creativity |
| ➤ Counting and measuring | Self-esteem |

These skills will be fostered through a variety of appropriate play and child-oriented activities. We use The Creative Curriculum Objectives for Development & Learning. An underlying Christian understanding is present throughout the program. It helps us work and grow together, as well as to deal with difficult situations. If a particular problem arises with an individual child the teacher will be in direct contact with the parents. They will attempt to give help whenever possible.

This program follows the Brighton Public School Calendar and "Snow Days", in other words – if Brighton cancels school for any reason we follow their schedule.

All applications and application fee (\$75) must be submitted in order to be considered for placement in our program. **Application fee is due when the application is submitted before your child will be added to a class list.**
